

### **Nature Camp 2023 – Sikkim Government College, Burtuk**

As per the grant-in-fund provided by Forest and Environment Department, Government of Sikkim, Nature Camp was organized for the students of Sikkim Government College, Burtuk at Fambonglho Wildlife Sanctuary, Pangthang on 03/11/2023 and 04/11/2023. A total of forty students and three faculties took part in the camp.

The activities carried out during the Nature Camp are as follows –

- LiFE Pledge
- Hiking to Tinjurey
- Cleanliness drive

The activities of the Nature Camp started with LiFE pledge which was undertaken by all the participants of the camp. It was followed by hiking to Tinjurey hill top. The team hiked for about 1.5 hours from the base camp at Fambonglho Wildlife Sanctuary. While returning to the base, a cleanliness drive of the hiking trail was also carried out.

The Nature Camp proved to be very beneficial and a learning experience to the students. It provided an opportunity to the students to connect with the Mother Nature and appreciate its serenity.
